## LV eBULLETIN - OCTOBER 19, 2021

### **Mask Mandate Continues in the Village and throughout Ventura County**

The Ventura County Public Health Officer has extended the indoor mask order, requiring all individuals to wear face coverings when indoors in public settings.

The extension means that **all Leisure Village residents, regardless of their vaccination status are still required to wear masks while indoors** at the Recreation Center and Clubhouse. Residents will be advised when that mandate is lifted.
