LV eBLAST - SEPTEMBER 20, 2021

Mask Mandate Extended for Another Month

Masks will continue to be required in all indoor public spaces in Leisure Village and throughout Ventura County until October 19. The new order from the VC Public Health Department specifies that all individuals, **regardless of vaccination status**, must continue to wear masks **covering the nose and mouth for another month.**

The Public Health Officer said the extension order is in response to the 328 cases of COVID-19 cases reported last Thursday and Friday. More information about COVID-19 and the Delta variant, which is more transmissible than previous forms of the virus, is available at www.vcrecovers.org.
