## LV eBLAST - NOVEMBER 1, 2021

### PLEASE NOTE!

#### Closure on Thursday at the Recreation Center

Several Village areas will be closed to vehicles and residents on **Thursday, November 4** so that new air conditioners can be installed at the Recreation Center. **The closure begins at midnight and extends to 1:00 PM on Thursday.**

**The entire East Parking Lot will be off-limits to all vehicles except the cranes and equipment necessary for the installation, and the east half of the Recreation Center Building itself also will be closed during those hours from the east entrance to the end of that hallway. The lobby, the Recreation Office and rooms off the Atrium will be open as will the pool area with access only from the West Parking Lot.**

## LV eBLAST - NOVEMBER 3, 2021

### Special Message to Residents of Village 18

Due to street improvements being made in Village 18, the trash and recycling pick-ups there will be different this week. **EJ Harrison will pick trash and recycling blue bins throughout Village 18 on Friday, November 5 at 7:00 AM.** That early hour is necessary because the work crews that are sealing slurry on the streets of Village 18 begin at 8:00 AM. No traffic is permitted until that project is completed. All trash and recycling pick-ups must be completed before the slurry work begins.
