TREE POLICY GUIDELINES

The Leisure Village Association Landscape Department recommends the following guidelines when locating the planting site for a new tree:

15 feet from utilities and water meters

30 feet from adjacent trees

20 feet from stop signs and intersections

25 feet from street lights

Tree spacing between trees is determined by the mature canopy spread of the species selected. The minimum spacing permitted is 30 feet.

Minimum spacing from buildings: small trees 20 feet, medium trees 25 feet, and large trees 30 feet.

Tree sizes required: 15 gallon

"Celebration" Tree Plaque: no larger than 3"x5". No "celebration" trees will be planted on the golf course. The Board must approve the wording to be placed on the plaque.
