

## New Rules for Golf Course and Sport Courts

### For All Areas:

- **Social distancing of a minimum of 6' must be maintained** at all times while on the course or court. This is regardless of household status.
- **The tennis and paddle tennis courts are open during daylight hours.**
- **No guests are allowed on the common area recreation areas** including the sport courts, golf course, bocce ball courts, shuffleboard, or chess set.
- For now, **no gathering to talk in small groups**, per the revised order from the County Health Officer.  
We will monitor the health orders and update as necessary.

### Additional Rules for the Golf Course

- **A distance of 30' must be maintained** between groups playing on the course and on each hole. That means on the fairway and behind the T box area, and between play areas. Remember the 6' distance for each player in each group.
- **Up to 4 residents** may play at a time while abiding by the 6' and 30' spacing
- You must **stay at least 6' away from patio outer edges** and walls. If you must get a ball in that area, pick it up and move it. Do not play it in that area.
- Due to the county order, **there will be no flag sticks**
- **Only approved motorized carts are allowed.**

Abiding by the rules is up to each individual participant. **If these rules are not followed, further restrictions will be made including closing the areas if needed.**

Thank you from your Board of Directors. 4/20/2020
